Sorry, none today

II. NEWS AND NOTES

1. The Pegasus Kid returns for a tour of Mexico with the UWA beginning Saturday, July 6, 1991. Villano V challenged him again for the WWF World LightHeavyweight Championship.
2. In Japan last week Brazo de Oro had a 31st birthday party. We now know his DOB is 6/13/60. I hadn't known that yet.

3. I don't see what the big deal but this story has been THE headline story three out of the last four days I have gotten the newspaper: The tour of the Southeast of Mexico has been finalized. The wrestlers booked are:

4. Both Octagon and Atlantis have finished filming their first lucha libre picture. However, editing is now going on and it is possible they will be called back the first week of August to re-shoot or supplement.
5. Konnan el Barbaro has his first challenger for the CMLL World Heavyweight Championship: el Angel Blanco junior.
6. According to this issue of Lucha Libre Mundial, issue #1409, dated 6/24/91, Blue demon junior has vacated his WWA World Middleweight Championship. I don't know this for a fact but my best guess is because he has signed up with EMLL and won't be around in the Mora arenas in the north of Mexico to defend the title.
